DEEPEN YOUR PSYCHOTHERAPY PRACTICE WITH PSYCHOANALYTIC BASICS: CONSULTATION GROUP

This group is designed to help therapists apply some useful psychoanalytic principles to increase the clinical utility of the therapeutic relationship, better understand and work through impasses with difficult clients, and gain better therapeutic traction in short term and long term psychotherapy.

SCHEDULE

Session 1 (Tuesday, September 17th)
Psychoanalytic Basics: Deepening Your Practice

Session 2 (Tuesday, September 24th)
Revisiting Empathy: New Applications

Session 3 (Tuesday, October 15th)
Utilizing Countertransference

Session 4 (Tuesday, November 5th)
Here and Now: Working without a History

Session 5 (Tuesday, November 12th)
Enactments and impasses

Session 6 (Tuesday, December 3rd)
Organizing Principles and Self States

Facilitated by Dr. Ginna Clark PsyD LPCC ATR-BC and
Dr. Carla Kleefeld PhD LPCC
